

Now you can have your own personal tax consultant! We have made arrangements with **Mark Courtney @ Senior Tax Solutions**, to help solve tax issues involving your selling efforts to clients and prospective clients.

Below are some of the services Mark can provide:

- Analysis of the clients federal income tax return
- Know when a client should consider a “stretch IRA”
- Consult with you on reading the tax return and how to use in the sales process
- Potentially reducing tax on Social Security Income
- Prepare revised return with tax reduction summary report to present with the client
- Consult with your client on tax issues when needed
IRA, 401-k, and other qualified market questions

Mark will work with you to assist you in how to find those “large” case annuities. Learn how to help your client in protecting their assets and how to obtain a tax benefit while receiving a higher return on their principal.
